Siemens Low Voltage Circuit Protection Heavy Duty Safety Switches. 600A 3P 240V 4W FUSED HD TYPE 1

| General technical data                       |                                                 |
|----------------------------------------------|-------------------------------------------------|
| fastening method                             | SURFACE                                         |
| number of poles                              | 3                                               |
| suitability for operation                    | DISCONNECTING MEAN FOR SERVICE ENTRANCE / LOADS |
| Electricity                                  |                                                 |
| ampacity                                     | 600 A                                           |
| Environmental conditions                     |                                                 |
| ambient temperature during operation maximum | 85 °C                                           |
| ambient temperature during operation minimum | -29 °C                                          |
| Model                                        |                                                 |
| product brand name                           | SIEMENS                                         |
| product sub brand name                       | VBII                                            |
| product type designation                     | HEAVY DUTY SWITCH                               |
| type of electrical connection                | MECHANICAL LUGS                                 |
| Mechanical Design                            |                                                 |
| design of the actuating element              | SINGLE THROW                                    |
| material                                     | STEEL                                           |
| General product approval                     |                                                 |
| certificate of suitability                   | UL98                                            |
|                                              |                                                 |
